TEACHING METHODS

The course consists of 70 hours of frontal didactics, based on exegetical method of the main legal norms, to allow the student to develop a capacity for orientation within the framework of the Civil Code. A part of lessons will have a practical approach to the analysis of cases and issues.

EVALUATION METHODS

The attainment of the teaching objectives is certified by passing an exam with valuation in thirtieths, whose minimum vote is 18/30.

LOGO DELLA STRUTTURA PRIMARIA

The exam consists of an oral test lasting about 15 minutes, divided into five/six questions relating to the various parts of the program (persons and family, successions, goods, obligations, contracts, protection of rights). For each answer the professor will evaluate: knowledge and mastery of legal institutions, capacity of the connection between the same, properties of language and ability of thought articulation.

Aa.V.v., *Manuale di diritto privato*, a cura di Salvatore Mazzamuto, seconda edizione, Giappichelli, 2017.
